FROM THE PRINCIPAL

Dear HILLCREST ACADEMY community,

TWO-THOUSAND NINETEEN HAS BEEN A YEAR OF CHANGE, OF MOVEMENT, OF HOPE! Iowa Mennonite School is now Hillcrest Academy. When I stop and think about it, so much has happened in a relatively short period of time. We are extremely grateful to the larger Hillcrest community for the support we have experienced through the changes that have occurred.

Along with the name change, mascot addition, and other re-branding initiatives, our board, administration and faculty have been at work over the last year developing operational core values that will guide our work and our life at Hillcrest. We are very close to wrapping those up. The first core value is "Following Jesus." Christ-centered education has always been, and continues to be the focus and ultimate goal of what happens inside our walls.

We are working hard to develop relationships with churches and schools outside of the Mennonite Church. We have met with administration at Faith Academy in Iowa City, Heritage Christian in North Liberty, Hillside Christian in Iowa City, Lutheran Interparish School in Williamsburg, and St. James Catholic in Washington. Most of these schools were able to bring students to our musical preview in November, and joined the Mid-Prairie 4th and 5th grades, so overall we had 400 plus students in our building that day. We have met with pastors of St. Andrew's Presbyterian, and Bethel AME in Iowa City, and have plans in the works to reach out to more congregations.

Our faculty is working hard to develop educational opportunities for our students. We have enlisted Grant Wood Area Education Agency persons to assist us in our professional development in-services, doing work with priority and supporting content standards and developing building wide Social and

Emotional Learning collaborative norms. Our board has set up a Strategic Planning Committee to help us think strategically about where we want to go in the next several years. That group has met twice since forming in November.

Our students continue to be involved in many activities beyond the classroom, including music, drama, athletics, FFA, Compassion Club and more. Our recent Christmas concert saw over 70 percent of our students on the stage. It is so good to see students involved across multiple areas, a tremendous strength and opportunity of Hillcrest.

We are grateful for the response of our alumni to all that is happening on our campus. It has been a blessing to add two students to our roster through the fall, and we have one more planning to begin in January. Please continue to pray for us, and refer families to us for whom we can be a good match. There is a sense of movement forward, and we pray for the momentum to continue to build.

God bless you all and may this new year be one of joy and peace.

Sincerely,

Dwight Gingerich, **PRINCIPAL**

ABOUT THE COVER

SO MANY NAMES! Each name is unique and has a unique high school experience. And each name is important to our school community. Our community is what makes us who we are, it's what makes us strong. Hillcrest Academy has been the recipient of the generosity of so many of you who cherish our school and want it to continue for many more generations. Many, many of our alumni and friends have been faithful supporters in the past and by doing so are invested in our future. For that we are truly thankful.

As we move forward together into a new place in our history, there may be feelings of excitement for some and feelings of uncertainty for others. Those emotions along with countless others are important. Together we all may feel different about what our school is and what we need to do to move us forward, but the key to our success as a school is our **togetherness**. It's this commitment to one another and to our school that together will carry us into a bright future.

CLASS REUNIONS

OUR ALUMNI & FRIENDS ARE IMPORTANT TO US. It is you who have walked our halls, performed on our stage, and competed on our court or fields that truly know what our experience and culture is like. Our hope is that you still truly cherish that time spent at our school and that it was a time of change, nurturing, and growth that defined who each of you are as people and affected the trajectory of your lives forever.

We love when our alumni get together (either many years after graduation or only a few) to reminisce and remember the time they had in high school together. Here are all the classes that met this past year. *Enjoy and may you be inspired.*

1949 | October 5 was a gloomy, rainy day but in the Friendship Center at Pleasantview it was cheery and pleasant. Why? Because members of the class of 1949 were celebrating their 70 year reunion. What a joyous time, sharing a catered lunch and then spending the afternoon catching up with each other and going through photos and other memorabilia, plus reading treasured messages from members who live at a distance and were not able to attend. Members attending were Donna Marie (Brenneman) Helgens, Cletus Miller, Margaret Miller and Lois (Brenneman) Gugel. Also sharing the fellowship were spouses of class members who have passed away; Norma Brenneman, Lores Hochstetler, Emil Schlabaugh, plus Cletus' wife Dorothy, and Donna's daughter Jane Collins. The Pork Supper, followed by the Community Hymn Sing closed our time together. *Submitted by Lois Gugel*

1954 | The Class of 1954 met at the home of Henry and Ila Miller on June 15. After a delicious meal and a time of reminiscing, those in attendance were joined by the Director of Advancement, Jeremy Ours, who led a discussion about many different school initiatives. Attending were classmates from all over the U.S., spanning from Georgia to Colorado, across Florida to Texas and Oklahoma, and all over Iowa. *Submitted by Wilma Gingerich*

1957 | The Class of 1957 had a reunion on October 4 and 5, 2019. Although we met only 2 years ago, it was decided we meet more often. Since the last meeting, three of the class members have passed away, Norma (Ropp) Nisly, Jeanette (Gingerich) Hotz and Allen Horst. Out of state persons in attendance were from Indiana, Oregon, Illinois, and Maryland. On Friday evening (October 4) we met for a meal at Ila Miller's. With the spouses there were a total of 28 persons in attendance. After the meal notes from Audrey Muselman (Class Sponsor) and Faye (Gingerich) Brenneman were read and the obituaries of Norma, Jenny, and Allen were also read. After reading the obituaries, each one updated the rest on the activities they have been involved with. Most shared they spend quite a large amount of time going to doctor appointments. It seems as if a lot of us have some sort of physical ailment that limits our abilities to do some of the basic tasks we once could do very easily. There was even a next generation person there. Howard and Willeane Schrock's son from Baltimore was there. Saturday afternoon we met on campus in one of the classrooms to visit and

reminisce about our days in high school and refresh our memories with a trivia quiz. We discussed computer “hacking” as most have been hacked and what to do about scamming. There were no volunteers to plan the next reunion but we plan to meet in 2 years. On Saturday evening, most of those in attendance for the afternoon meeting attended the Pork Supper sponsored by the senior class. We had a table assigned so we could all eat together and continue with visiting. Following the Pork Supper, there was a Community Hymn Sing in Celebration Hall, of which several of the classmates attended. It is believed those in attendance thought they had an enjoyable time and it was worth the effort. *Submitted by Charles Rhodes*

1959 | Twenty-three members of the Class of 1959 attended all or part of their 60th reunion activities held over Homecoming Weekend, October 4-5, 2019. Friday evening was spent enjoying dinner at the home of Ila Miller, northwest of Kalona. On Saturday, between a tour of the campus and attending the annual Pork Supper in Hillcrest Union, classmates and their spouses gathered in a classroom designated for their use. It was a joy to come together to renew friendships and share memories. Many thanks to reunion planners: Larry Yoder, Mary Lavonne Brenneman, and Jim Hochstetler. *Submitted by Sherry Burner*

CLASS REUNIONS

1964 | The Class of 1964 met for our 55 year class reunion at Rocky Mountain Mennonite Camp in Divide, Colorado. Seventeen class members attended along with many spouses, making a group of 27 people. The bond among us that was formed 55 years ago, remained amazingly strong. We had a wonderful time together. We participated in a camp tour, hiked, sang around the fire pit, worshipped with daily devotionals, and engaged in topic discussions. Our first day's discussion topic was a five-minute synopsis of each class members' life journeys since graduation, which

was fascinating. What rich lives classmates have lived! The second day's discussion was sharing what our mission/purpose is in our lives. The mission that several classmates wrote seems to describe the collective mission of all of us, "Living beyond self. Living with hope, with kindness, with gratitude, with risk, with gentleness, with consideration and acceptance of others, with care for the earth, with joyfulness..." and prophet Micah's words, "What does God require of you? Do justice, love mercy, walk humbly with God" (6:8) The third day's discussion was sharing about our school experience and the tremendous impact on our lives, with many people mentioning special teachers, valuable friendships, firm spiritual foundation, singing, and service to people in need. Some highlights from our discussion that emerged was the overwhelming dedication to service to others that our classmates shared. Jesus said, "I was hungry and you fed me, I was thirsty and you gave me a drink, I was homeless and you gave me a room, I was shivering and you gave me clothing, I was sick and you stopped to visit, I was in prison and you came to me ... whenever you did one of these things to someone overlooked or ignored-you did it to me" (Matthew 25:36-40). The Class of 1964

are out in the world serving others in many ways. A few examples of how classmates are living lives of service to others are prison ministry in Oklahoma, volunteer contractor skills and service to public schools in Colorado, volunteer at "Give Kids the World" in Nebraska, host at the International Guest House in Washington DC, women's development in Nigeria, serve in church, community, and support the elderly in Iowa, volunteer in hospital, habitat housing projects, and serve as pastor in Ohio, work with people living in poverty in India, lead in local Mennonite Disaster Service in Virginia, serve on Christian Peacemaker Teams in Iraqi Kurdistan and Palestine, inner city outreach to people in need in Illinois, serve African immigrant community in Wisconsin, conduct humanitarian work in Cameroon and Congo, active in women's ministry in Florida, and many other ways classmates are serving others. Our 1964 classmates are living the previous class motto, "Our achievements are footholds for future endeavors" as we are using our achievements and skills to serve those in need across the world in the name of God. The reunion was a time of bonding and sharing. We left with full hearts and a renewed desire to live a life with God in service to others around us. Thank you, to our school, for impacting the world through the students you help mold. *Submitted by Kay Frunzi*

1969 | Thirty-one members of the Class of 1969 met September 27-29 to celebrate our fiftieth reunion. We spent the weekend remembering our time in school together, teachers we had, pranks that people pulled, class trip, and all of the other events that make up a high school experience. Conversations ranged from updates on children and grandchildren to topics such as knee replacements, cataracts, and CPAP machines, a sign of our age.

We gathered on Friday evening at Best of Iowa in Kalona for a time of reacquainting with one another. For two class members it was the first reunion they ever attended so it was good to reconnect with them. Saturday morning found us again at Best of Iowa for conversation and food. That evening, the class enjoyed a meal at Warren Dean and Ila Millers. The noise level seemed to increase each time we came together. On Sunday, classmates met at Hillcrest Academy for a time of sharing and worship. Ron Brenneman shared from Psalm 23 and Grace Yoder Weber offered her reflections which she gathered from the biographical information we submitted. Following that service, we traveled a few miles to Dick and Donna Swartzendruber's party barn where we enjoyed a meal of pulled pork, all the trimmings, and ice cream. *Submitted by Frank Yoder*

1974 | BUT WE TOUCHED “And they are there. Who are they? Anyone or thing that touches us or affects us, either as we reach out or as they come in.” (1974 Reverie) On the weekend of August 2-4, 2019, the Class of 1974 met in the Amana Colonies to celebrate forty-five years of life since we walked across the stage in Hillcrest Union to receive our high school diplomas. We met at Die Heimat Inn, the historic inn in Homestead now owned by our classmate June (Miller) Hershberger and her husband, Marc. Many of us stayed at Die Heimat overnight, sharing several sumptuous breakfasts and getting a detailed history of the Amana Colonies from June. Out of a class of 55 graduates, 34 showed up for at least one of the four events: 1) Friday evening at the Fireside Winery, 2) Saturday lunch at the home of another classmate, Bill Yoder and his wife Kristie (whose home is an Amana Heritage home), 3) Saturday evening’s catered meal and program at Die Heimat’s “Next Door” meeting hall, and 4) back to Hillcrest Academy for a Sunday morning service and catered lunch. What our agenda cannot accurately reflect, however, is how we found it difficult to halt our conversations with our former classmates, how we remained together between events, and how we lingered around a camp-fire after the Saturday evening program, continuing to get reacquainted with one another.

CLASS REUNIONS

On Sunday morning, our high school social studies teacher, Myron Graber (the one who so ably walked us through the 1972 presidential election) brought our message. He used several pages from the 1974 Reverie to bring us together in a worship service. A few lines from those pages sums it up. "But we touched. Somehow, they and we met to make what is now our school ... we are still struggling to find and keep an identity, our identity. But we touched." The writers of those words, the Reverie staff of 1973-74, were wise beyond their years in their recognition of what it means to be high school students, that time in our lives when we are searching for our identities and looking forward to finding our way in the world. They touched on a basic truth, that 54 of us came together in high school in the early 1970s and that those high school encounters shaped us in ways we could not know at the time. It was wonderful to have our lives touch again, 45 years later in 2019, at Die Hiemat in Homestead, Iowa. *Submitted by Hope Nisly*

1979 | The Class of 1979 celebrated their fortieth class reunion the evening of September 21, 2019 in the beautiful old barn down a long country lane surrounded by cornfields and Iowa's rolling hills at the family farm of Kathy Schlabach (home of Jerry & Lou Miller). It was the perfect rural setting in which to gather and reconnect with old friends. Forty people attended, including a few friends from the Class of 1980. Sherlyn Jantzi organized and kicked off the night with a rousing game of "1979 Trivia" which brought a lot of laughs. It was girls against boys. Team members were Cecilia Miller, Linda Bachmann, Kathy Schlabach, Paquita Ditzler, Tim Miller, Jerry Brenneman, Steve Bachman, and Ken Bender. Prizes of certificates of awesomeness and apples were awarded to the boys. Keith Nisly's BBQ catered the event, and everyone enjoyed homemade pies and cake for dessert. Party favors were "Top Hits of 1979" CDs. It was a great night of fun, fellowship, and laughter... sharing memories of the past and catching up on our current lives.

Unfortunately the weather didn't cooperate so we were unable to do our hayride and bonfire. Hopefully next time. Classmates and friends enjoyed catching up and reminiscing late into the night. We missed the people who could not attend this year and hope to see them at our forty-fifth reunion! *Submitted by Laurie Bender and Jo Hershey*

1984 | Eighteen members of the Class of 1984 and numerous spouses gathered over two evenings October 4-5 to celebrate our past and catch up on each other's lives over the past 35 years. On Friday night, 10 classmates gathered at Cheddar's in Coralville, and another eight joined the group on Saturday evening at Hillcrest Academy for Homecoming and Alumni Weekend. A few weeks earlier, another group of 10 met for supper. Following the Junior Class Pork Supper on Saturday evening, the gathered classmates toured the school with Director of Advancement Jeremy Ours, where we remembered sneaking off to the prayer room, the day a teacher mistook the daily schedule and forgot to come to class, the night that classmate Don Miller shattered the basketball backboard attempting a dunk, and so much more. *Submitted by Lyle Miller*

1989 | On Saturday and Sunday evenings of Homecoming Weekend, the Class of 1989 had two different reunion events. On Saturday, two classmates met at Hillcrest Academy for a school tour. One classmate stayed for the Saturday evening festivities. The other went home to do his farm chores. Three classmates enjoyed the Pork Supper. One classmate brought his family. Seven more classmates and some spouses joined us at Brent Yoder's shed. Some teens and upper elementary aged children entertained themselves in a room next door. Then food and fudge from Kalona Creamery were enjoyed along with bottled water by everyone who attended. The 10 classmates present sat and shared updates of what we are currently doing. Two of ten classmates have children who are either alumni as well as a child currently attending Hillcrest Academy. Four of the 10 classmates reminisced about the wonderful service projects and Bible Studies we enjoyed through West Union MYF. Since one classmate is married to a cousin of Angi Yoder-Mania, we enjoyed hearing how their family went and visited Angi in Kenya, and how all their children enjoyed that trip. We all enjoyed hearing

from Angi, and all she has been doing in Kenya. All the classmates agreed that our years in school together, the Interterm experiences, MYF service projects, and youth conventions all gave us a solid foundation and prepared us for where we are today. Classmates also met on Sunday evening at Kalona Brewery. Those in attendance were: Merlin Shetler, Neil & Anne Schlabaugh, Tina (Boller) Dachtler, Angi Yoder-Mania, Corwin Gingerich, Brian Black, Brent Yoder, Christina Miller, Sheila & John Niemeyer, Matt Miller, Stephen Gingerich and Greg Hochstetler. It was a concern of all the classmates that enrollment needs to increase at Hillcrest Academy. The two classmates with children currently attending Hillcrest Academy expressed the strengths of smaller classes, and overall student involvement in a variety of activities. One classmate shared how her son started at the public school and has transferred to Hillcrest this year and loves it. Angi and Lisa received Hillcrest apparel as door prizes. *Submitted by Sheila Niemeyer*

CLASS REUNIONS

1994 | The Class of 1994 held their twenty-five year reunion over the weekend of October 4-5. On Friday evening we met with our families at classmate Anna Geyer's homestead for pizza. We had a great time catching up with each other, like we were still in high school. Saturday morning a few of us made it to the Joetown Classic followed by a one-on-one tour of the school. At noon we met at Kalona Brewing Company for lunch with more sharing of each other's lives. The weekend was filled with fun memories created and we look forward to our next one in 2024. *Submitted by Lori Gerber*

1999 | On a Saturday in June, the Class of 1999 had their 20 year reunion. For those who were able to make it, there was a family gathering/tour at Hillcrest Academy in the morning. The kids had fun playing in the gym, as well as enjoyed a tour to see where their parent(s) went to school! In the evening, classmates and spouses gathered at Brad and Bridgette (Yoder) Rew's residence and enjoyed an evening of catching up and reconnecting. Food was catered in and lawn games were set up, but unfortunately the weather didn't cooperate! However, that meant more conversation and reminiscing could take place. Some people enjoyed playing ping-pong, while others had fun looking through high school yearbooks! Bridgette and Brad agreed to host again for an Iowa football game sometime, and we are looking forward to having our 25 year reunion! *Submitted by Laurie Miller*

2004 | On September 21, 2019, 14 members from the graduating class of 2004 gathered for our 15 year anniversary. The evening started with 4 classmates enjoying a tour of campus led by Director of Advancement, Jeremy Ours. We enjoyed walking the halls of memory lane, but also enjoyed seeing the updates and changes since we attended there. The night continued for dinner at the Kalona Brewing Company along with 10 others with their significant others. During dinner, old yearbooks and photos were passed around, and memories shared. We caught up with who married whom, who had children, where people live and where people are working. The classmate who came the farthest was Angela (Brown) Taibe who flew in from California. What a great time catching up! *Submitted by Malerie Plank*

2009 | The Class of 2009 gathered over Homecoming Weekend to celebrate their 10 year class reunion. The two-day celebration started at Geyer's Pizza Oven on Friday night where classmates enjoyed catching up on life and ate delicious pizza. Several classmates also attended and participated in the alumni volleyball and soccer games held on campus Friday night. The Saturday events began with a campus tour led by Principal Dwight Gingerich. It was great to learn about the changes being made and reminisce about "old times". After the tour, a number of classmates gathered at Big Grove in Iowa City for lunch, the Hawkeye football game, and farewells. While the time together was short and we missed some of our fellow classmates, we had a great time reconnecting and look forward to future gatherings! *Submitted by Maria Davis Hochstedler*
