

J. Kyle Coleman Music Studio

Hi there! I am excited to be able to offer piano lessons for both beginners and more experienced students at Hillcrest Academy. These lessons would take place once a week, during the week, in a piano studio provided by Hillcrest.

My goal is to help students understand and learn how to play the piano with confidence and artistry. In order to achieve this, students should plan to set aside 20-30 min per day to practice.

Lessons are \$100 per month for weekly 30 minute lessons. This will be paid at the beginning of the month at the first lesson. Cash or Venmo payment is preferred. Rescheduling lessons can be accommodated if enough advance notice is given. Late or no-show lessons will not be refunded. A semester-long letter of agreement will be signed by the student and parent(s) agreeing to these terms.

I have a Master of Arts degree in Choral Conducting & Pedagogy from the University of Iowa, and a Bachelors of Music in both Piano Performance and Piano Pedagogy from Shorter University. I have played piano for over 21 years, and have accompanied soloists, choirs, and theatrical productions, piano conducted, and music directed across the Southeast, and currently collaborate with University of Iowa choirs. I am excited to have the opportunity to bring those skills and experiences to the students of Hillcrest Academy and the surrounding community.

Please feel free to contact me with any questions!
